PRESIDENT'S REPORT 2008—2009

I take pleasure in presenting the 22nd Annual Report for Inner North East Community Radio Inc. for the year 2008-2009.

The past year has again been successful for our station. The streaming of programs through the internet now enables all broadcasts to be heard by a potentially large listening audience. This has already been confirmed by the increasing number of direct contacts that continue to be received from local areas, Australia wide and internationally.

The wider listening audience is also proving to be an attraction to potential new station sponsors. To this end it is important that the quality of presentation of all programs continues to be of the highest standard.

On a sad note, unfortunately the passing of a number of our long term Presenters, Members and Volunteers has occurred over the past twelve months. To the families and friends of all those who have lost loved ones, I extend on behalf of the Committee of Management our deepest sympathy.

There has also been an unusually high number of colleagues and friends who have also been struck down by illness. Our thoughts and best wishes for a speedy recovery go out to each and every one of them.

Once again, it has been a great team effort by all connected with the station ie. Presenters, Co-Ordinators, Receptionists, Technical and Production Crew and all other Volunteers who continue to contribute to the day to day running of our station. I thank you all for your wonderful support and for being real team players.

My thanks again to all Committee members for their hard work, time, effort and dedication in ensuring that the station is well administered with a high level of integrity and that all decisions made are always made in the best interest of the station.

Overall, this has been another good year for 96.5 Inner FM.

It has been most pleasing to note the increased acknowledgement and recognition of our Community radio station by the general public. We should all continue to promote the station when and where ever possible.

Thank you one and all for your support.

Ken Petrucco
President

NOMINATIONS FOR COMMITTEE 2009-2010

At the close of nominations, the following nominations have been received to fill the six vacant positions on the Committee of Management. Listed alphabetically they are:

Tim Armstrong Janice Brandon Paul Dellios
Ken Petrucco Kerry Pedder Joseph Zampichelli

As the number of nominations received (6) is not greater than the number of vacant positions to be filled on the Committee of Management (6), there will be no election conducted at the A.G.M. and all 6 candidates are duly elected.

Just a reminder that the **A.G.M** will be held on Friday, 18th September commencing at 8:00 p.m. at the Veneto Club, 191 Bulleen Road, Bulleen. All members are encouraged to attend.

Public Officer

FOOTY UPDATE

When you read this, the "A" & "B" Section Grand Final lineups will have been finalised. In "A" Section at the time of writing, Old Xaverians have already booked their now customary place courtesy of a 92 point demolition of De La Salle in the 2nd Semi. De La now face University Blues in the Preliminary Final after the Blues featured in one of the most exciting games broadcast by Inner FM over the past 12 years, defeating 2008 Premiers, St Bedes Mentone Tigers in extra time after they finished with 82 points apiece after four great quarters of footy.

There will be plenty of local interest in the "B" Section Preliminary Final which sees St Kevins and Old Trinity fight for the right to meet Old Melburnians in the Grand Final, along with promotion to "A" Section in 2010. Old Trinity was relegated to "B" Section in 2009 so to gain promotion back to the premier section in the same year will be no small achievement.

INNER FM SPONSORS

Our sponsors are our life blood without whom we could not operate. They are, by and large, small to medium businesses operating within the North East suburbs of Melbourne and offer a range of goods and services.

Their decision to either renew or cancel their sponsorship each year can often be a matter of feedback (or lack of) so we ask that first, you consider our sponsors when making purchasing decisions on goods and services that they can supply and secondly, should you use them, that you mention the fact that you became aware of their existence through hearing their Sponsorship Announcements on 96.5 Inner FM.

Something so simple can also be so valuable. Below are listed our Station Sponsors whom we thank for their support:
