

Policies on Membership

96.5 Inner FM is an incorporated association (Inner North East Community Radio Inc.) under the Associations Incorporation Reform Act 2012 (Vic). Under that Act, the rules of an incorporated association constitute the terms of a contract between the association and its members.

The principles of financial membership and the rights and responsibilities of financial members and to financial members by the association are set out in the Association's rules. For those members who are presenters, these principles and rights and responsibilities are supplemented by the station's Presenters Agreement.

A copy of the rules can be inspected at the station's studio and a soft copy can be made available on request. Each presenter has signed a copy of the agreement. A copy of the signed agreement can be made available on request.
